

GRIDIRON STALLION CHALLENGE

Our TH Productions crew has worked hard to keep the Gridiron Futurity a fun and affordable event. We have some AWESOME sponsors that have stepped up the past few years and helped us give away some pretty cool prizes. Recently we've seen the barrel racing industry make many changes and as we move forward the opportunities to run for bigger payouts seem to be growing. However, many of those payouts are at bigger events and we seem to send lots of our nomination money out of the area. As we move forward, we want to expand our service of promoting Gridiron stallions and help our loyal contestants earn even more money while extending the number of events we produce.

In 2024 we will be continuing the Gridiron Futurity, as usual in our new location, Bowman, ND. However, we will be including the **GRIDIRON STALLION CHALLENGE** in our 2 open races (points only in Bowman) and our Hart Ranch series. The **GRIDIRON STALLION CHALLENGE** will be an additional side pot for Gridiron eligible horses at OPEN races produced by TH Productions, LLC.

If your horse has ever been eligible for the Gridiron Futurity Breeder's Incentive, or is currently eligible, it is eligible for the **GRIDIRON STALLION CHALLENGE** incentive. **The nomination fee is \$250 for each horse, no matter the age.** This is a one-time nomination fee for the life of the horse. Payments will be accepted from March 1, 2024 to May 1, 2024. There will be no refunds.

Points will be accumulated for horses in each "D". (1st place - 20 points, 2nd place -18 points, and so on...) Points will follow horses not riders. Horses can carry 3 of their best finishes to the FINALS. Awards will be based on year end point totals for each horse. Ties within each D will be broken by a run-off, then a coin toss if necessary. Ties between "D" winners will be determined by: amount of \$ horse earned in that "D", # of races horse earned points in that "D", # of races attended, total amount of money horse won throughout the challenge in any "D". **To be eligible for the year end prizes, horse must run in the Finals.**

100% of the nomination fees collected for the **GRIDIRON STALLION CHALLENGE** will be paid out in open barrel races and the FINALS. Contestants will need to pre-enter the side pot at each race. Entry fee will be \$20.
